**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 25 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**CAUSE**

The offender has successfully completed her inpatient program at the Isabella House in Spokane, Washington. She has been working with local housing authority to secure clean and sober housing. The offender has now secured an apartment located at 1107 S. Madison, apartment number 203, in Spokane. Ms. Burks has both of her children residing with her at this time. She will continue her drug aftercare with New Horizons in Spokane.

On February 2, 2006, the offender signed a modification to agreeing to submit to up to six urinalysis tests per month. She understands the logic behind this modification and agreed to waive a hearing in this matter.

Respectfully submitted,

by
